

Thursday April 5, 2007 GKTC monthly meeting at Mr. Gattis

Meeting began at 6:45. We reversed things this meeting and had our guest speaker former Olympic cyclist Kent Bostik speak prior to the general meeting. Kent discussed a variety of topics and shared some very interesting stories from his cycling career.

We had a very brief meeting after the presentation. There was not much new business with the exception of club members voting on a team warm-up jacket. We will need to decide what logo to put on the front or back of the jacket.

Next month's meeting will be held on Thursday, May 3rd. The speaker will be Bobby Holcombe of the Runner's Market. Bobby will be discussing ways to improve your run segment of the triathlon. Bobby is a gifted runner and manager of Runner's Market West. The location of the next meeting will be posted shortly.
